I understand that, "Seasonal Camping" means, every weekend of the season. (Friday night to Sunday), with the exception of three day holiday weekends in which Sunday night is included. The only exception to this rule is if I notify the camp owners prior to signing this agreement that my regular work schedule is on the weekends, an agreement upon which days will be used for camping days will be made. I also understand that I am allowed two weeks each year for vacation stay at the camp. Any other nights stayed will be billed at normal camping rates. Winter storage is also included in the seasonal payment. A new agreement must be signed each year.

I understand also that my Seasonal Camping Agreement covers only the people who are signed hereafter, up to two adults and two dependent children. Any other persons staying at the camp with me will be billed at normal camping guest rates. It is my responsibility to make sure **all of my guests** stop and sign in at the office upon arrival at the camp.

I understand that my electric service is metered, and that I will receive a **monthly bill** for service used. *Payment is due upon receipt.*

I understand that any damage sustained through the acts of **mother nature** or **vandalism** to my personal property, is **not** the fault of Acorn Oaks Campground. However, the camp owners agree to maintain rules and regulations that will help to ensure a safe and secure place for all who visit.

By signing this agreement means I have received and read a copy of the camp rules. The camp owners retain the right to change, modify or update the rules and regulations as might be necessary.

We would like payments to be made as follows:

- \$100.00 down payment at the end of each season to reserve your site for the next season.
- The balance of the first half of seasonal rate paid by opening day of the next season.
- The last half of seasonal rate to be paid by Mid-July of that current season.

No refunds will be issued for early termination of Seasonal Agreement, except in cases of emergency, at owners discretion. You may choose to terminate this agreement either at the first of the season or the middle of July, both before payments are due and not forfeit any payments except the \$100.00 down the previous end of season. If terminated any other times or if you are asked to leave for rules violations, there will be no refunds. All rates subject to 7% sales tax.

I agree to pay, Full Seasonal/Pro-rated Seasonal rate of: \$ _____ + _____ tax = _____ **Total.**

From: _____ to: _____ for Campsite #: _____
